The Hamilton and Toronto Railway is approaching completion, and is expected to be ready next spring in the course of the month of November.

The best evidence that can be adduced in favor of the efficiency of Headley's German Bitter, is the fact that it has been adopted by the Royal Engineers for their use all over the Union; and although twice as strong as any other German Bitter, it is not exceeding worthy of a liberal allowance, yet we find many who prefer it to any other. It is a very good article with which the winter doctor has long been familiar, who found it necessary to have recourse to his practice. It is a safe and reliable medicine, and a most effectual remedy for the almost insatiable thirst of those who are subject to it. IMPORTANT PROCULMATION
A GREAT MISTAKE IS MADE.
In the course of our business, we discovered that by using
the services of a Lawyer, we obtained a proprie-
ty which was a marvellous quick power over some
with pain, all unseasoned events. The most tor-
ring pains were relieved in an instant, and the mem-
ory restored to perfect ease in a few minutes.

In 1840 we introduced that remedy, **ALDINE BELFREY**,
which was used by hundreds of thousands through-
out the United States, giving entire relief. One application
externally, or a few drops taken internally, will
relieve pain, and restore the weak, feeble,
and infirm, and restore the skin, flesh, and
muscles to strength and vigor. No person
ever received so much benefit in less than fifteen minutes
after its use. Let those who are now suffering very
much, try it, and they will enjoy ease and comfort.

HADWAY'S READY HAIR is the first and the
most powerful Remedy that will stop the
most torturing pains in a few seconds, and free the
system from Rheumatic, Neuralgic, Nervous,
and other diseases, and restore the skin, flesh, and
muscles to strength and vigor. We are
now prepared to supply every part of the
United States, and Canada, with this Remedy, and
protect the system against sudden attacks of
CHOLELIC, DYSENTERIC, HEPATITIS, HYPERTONIA,
MILIOSIS, CHOLIC, FEVER AND FEWS.

It is a most powerful diuretic, anti-
emetic, stimulant, nervine, anti-spasmodic,
and cooling Remedy.

The R. H. Remedies are medical allies of the
present, and will be used in the following manner:
Stop pain instantly, and protect the
body against sickness or any sudden attack.

NOTICE.

WILL BE SOLD on Saturday the first
day of September next, at twelve o'clock noon, at the Court House in Belle
ville, by virtue of a Power of Sale con-
ferred on a certain Person, by the Sheriff
of Belleville, of the firstpart, Dina Fran-
çois, of the second part, and the Honourable
George Moffat, of the third part, dated
the tenth day of November, 1852: The fol-
lowing Lands, being in the Township of Lodi,
County of Hastings, and Nine, in the Ninth
concession of the Township of Hastings, con-
taining hundred Acres, more or less.
